## **INTERNAL COMPETITIONS**

21 December 2019

"Competition motivates and drives people to excel, and enables people to learn and benefit from their strengths and weaknesses."

What is a Competition? It isn't about being the best, because once you tap into the creative flow, the best doesn't exist. It's about experiencing the Magic'. It's about being in that place where your heart is feel. It's about grabbing hold of the intangible, and making something beautiful!!!

A Healthy competition always compels the competitors to come out of their comfort zone, focus on their inner to latus and still foot forward!! It also reaches them to appreciate the efforts put in by others and their talent.

## **NAVRATRI CELEBRATION (DANDIYA)**

5th Oct 2019

Navratri is one of the famous Hindu festivals. That spans over nine nights and is celebrated every year in the autumn season. It is observed for different reasons and celebrated differently in various parts of Indian states. Goddess Durga' of Kali' is worshiped in all her nine forms.

In our college, we celebrated Navratri, on 5th Oct 2019. In the presence of all our professors and our Principal madam. First we performed the puja in a hall, then we formed a circle and sang the 'Bhondala' songs in Marathi. After this we played 'Garba' which is basically played in a circle and clapping rhythmically. After this celebration, we all went to our big ceremony hall and we all performed Dandiya traditional Gujarathi songs. Some of the student teachers were done exceptionally well in dandiya also helped others by providing instructional dance steps.

**Principal**  
**Shri Martand Bhairav**  
**Adhyapak Mahavidyalaya,**  
**Balewadi, Pune-45**

All the student teachers were decked up elegantly in sarees and traditional costumes and we danced our hearts out with our professors on the music played loudly. It was an awesome experience to see all our respected professors mingling and dancing with us.

All our professors very enthusiastically organized these events and encouraged us to the fullest. All these tasks were made very competitive and also very fun- filled, thanks to the wonderful anchoring done by our talented professors.

The chief guest & our Principal Madam. Dr. Sunita Bhore inaugurated the event in the presence of professors and enthusiastic participants.

After this the chief guest observed everyone's performance and the winners were declared afterwards.

It was indeed an amazing day as we witnessed the different faces of our co-learners and also decided to try some of the dishes and designs at home also.

The coordinator of program was Ass. Prof. Sarita Badge And Dr. Kishori Ubhe.

**VIVEKANAND JAYANTI**  
**RAJMATA JIJAU JAYANTI**  
**GEOGRAPHY DAY**  
**13<sup>th</sup> January 2020**

Swami Vivekananda, was an Indian Hindu and a great leader. He was a key figure in the introduction of the Indian philosophies of Vedant Yoga to the western world. Swami Vivekanand - addressed the Parliament & world's Religions in c in September 1893 calling for both Tolerance and universal acceptance as a path to eliminate the evils of sectarianism bigotry and fanaticism.

Every single person born in the soils of Maharashtra has tremendous respect and love for Chhatrapati Shivaji Maharaj. And everyone remembers the role played by his mother in his life. Rajmata Jijau, referred as Jijamata or Maasaheb was a woman of extraordinary strength and vision. She is regarded as an ideal mother especially in Maharashtra. Her upbringing of Shivaji Maharaj is a subject of folklore. Geography is considered as the mother of all sciences. Every year 14th January is celebrated as Geography Day to mark the movement of sun from one zodiac to another. Changes in the season start taking place from this day. It's the birthday of world-famous Indian Geography professor C. D. Deshpande. So in order to respect the work done by him in the field of geography this day is celebrated in Maharashtra as Geography Day.

## SCIENCE DAY

28th Feb 2020

Science has entered our lives and has become an inevitable part of our daily life knowingly or unknowingly without science or scientific development our lives would have become miserable.

In India 28 February is celebrated as National Science Day. The great physicist Sir Chandrashekhar Venkat Raman made an important discovery in the serious subject of Physics on the same day on February 28, 1928, known as The "Raman Effect" which led him winning the NOBEL PRIZE in the year.

In 1986, The National Council for Science and Technology Communication asked the Government of India to designate 28 February as National science Day, which the Government of India accepted and the first National science Day was celebrated on February 28, 1987. The Govt of India felicitates scientists every year on this day who contributed to the field of science.

**Principal**  
**Shri Martand Bhairav**

Our college also celebrated National Science Day on 28th Feb 2020 by arranging a field visit to the Pimpri Chinchwad Vidnyan Kendra' under the lead of our professor Dr. Leena Patil madam, and our professors, Prof Swati Dharmadhikari, Prof. Chhaya Hinge maam, Prof. Sarita Badge.

The Pimpri Chinchwad science Centre houses. Galleries on different themes of science and Technology, Activity area, Inflatable Taramandal and an auditorium. It also has an open air science Park spread over 3.5 acres. Most of the exhibits in the science center and science park are interactive in nature and visitors can explore science in an entertaining way.

The center also conducts many science shows such as 3D shows, Taramandal shows and live shows demonstration for visiting people and student groups.

A big automobile section explaining every detail of automobiles with many actual vehicles /parts are kept on display. There were different pavilions showcasing photos, models, information on Environment, Energy, Optical illusion etc. Also there are demonstrations on solar energy, wind energy etc.

All the principles of science were made easy and displayed, some are informative but most of them are interactive.

We all enjoyed this visit very much and it also helped us to understand the importance of science in a playful way.
